

Site Solutions Summit
PARTNERING FOR SUCCESS

October 5 - 8, 2017
Boca Raton, Florida

For the last 12 years, the Global Site Solutions Summit has been committed to being “the site’s meeting.” The Summit provides a unique hub where sites, sponsors, CRO executives, and regulators come together and:

- Share best practices
- Build their businesses
- Develop new partnerships through debates, ideation sessions, workshops, and focus groups

Earn up to 15 contact hours and CMEs

SCRS is confident that by increasing site sustainability, all life science stakeholders will realize greater efficiency and profitability, and successfully meet our ultimate commitment to bring safe medical treatments to patients faster.

Hear from leading industry experts and the FDA on the findings and solutions of the SCRS multi-stakeholder “Site Awareness and Best Practices for Inclusion of Diverse Populations in Clinical Research.” Results, best site practices, and tools will be shared to support the requirement of diverse patient population inclusion.</p> <p><i>Luther Clark, Global Director, Scientific Medical and Patient Perspective, Office of the Chief Patient Officer - Merck</i> <i>Diana Foster, Vice President, Strategy and Development - SCRS</i> <i>Todd Albin, Senior Director, Site Enrollment Optimization - Acurian</i></p>
6:15 pm - 7:45 pm	Opening Network Reception Sponsored by RealTime Software Solutions, LLC

SATURDAY, OCTOBER 7

7:00 am - 7:30 pm	Registration
7:30 am - 8:30 am	Premier Sponsor Breakfast <i>Sponsored by Blue Cloud by HealthCarePoint</i>
8:30 am - 9:00 am	Networking Break <i>Sponsored by Rocket Trials</i>
9:00 am - 9:05 am	Welcome Remarks
9:05 am - 10:05 am	What's New In "Your World" and How Will It Impact My Site? Uncover the perspectives from industry leaders representing sponsors, CROs, technology, and the FDA on concerns and trends in their sector that will impact sites. SCRS is proud to present this unconventional conversation on topics of importance that may directly impact or trickle down to sites. Ample time will be allowed for an active Q&A session — come prepared to find out what you always wanted to know. <i>Glen de Vries, President - Medidata</i> <i>Andrew Lee, SVP, Head of Global Clinical Trial Operations - Merck</i> <i>John J. Whyte, MD, MPH, Director of Professional Affairs and Stakeholder Engagement - FDA CDER</i>
10:05 am - 10:35 am	A Country That Turned Research Inside Out UK for National Institute for Health Research and Clinical Research Network will share a powerful case study how they approached the execution of a clinical trial using technology and collaboration with industry. You will walk away questioning why this process cannot be globally implemented to obtain the unprecedented results for all trials. <i>Sheila McCorkindale, MD, Clinical Research Specialty Lead, General Practitioner - NIHR Clinical Research Network</i>
10:35 am - 11:05 am	Networking Break <i>Sponsored by Rocket Trials</i>
11:05 am - 11:45 am	Decreasing the Sites' Burden – A TransCelerate Priority Join TransCelerate Leaders in a discussion about the progress being made to decrease the administrative burden on Investigator Site staff and improve the relationship between Sponsors and Investigator Sites. Learn more about solutions available to sites throughout the phases of a clinical trial that are designed to decrease paperwork and processes and improve patient engagement. <i>Craig Lipset, Head of Clinical Innovation - Pfizer</i> <i>Paulo Moreira, VP, Global Clinical Operations - External Innovation - EMD Serono</i> <i>Virginia Nido, Global Head, Industry Collaborations - Roche</i> <i>Katarina Hugeneck, Manager Global Study Training Management, Global Clinical Operations/Site Activation - Eli Lilly</i>
11:45 am - 12:30 pm	Site Patient Recruitment Innovation Award (SPRIA)[™] Presentations This coveted award recognizes innovative strategies used by sites to achieve enrollment success. Emphasis will be placed on innovative, unique and effective patient-directed initiatives which take into account the patient's perspective on participation. <i>Sponsored by Acurian</i>
12:30 pm - 1:30 pm	Clinical Connections Lunch <i>Sponsored by WIRB-Copernicus Group</i>

Break-Out Sessions

Three one-hour sessions with multiple topics relevant to your site's success and sustainability will be presented for your selection. All sessions include active participation with either moderated panels or esteemed presenters that will provide many valuable take-aways.

Session Formats

Learning Lab: Expert presenters will provide an in-depth review of challenging topics facing the clinical research industry.

Site Matters: A cross-section of expert panelists will discuss industry & site pain points and identifying solutions.

Site Solving[™]: Come prepared to discuss relevant issues and learn new best practices. These sessions will be moderated by an industry expert. Small groups will be formed to further discuss and identify solutions. Each group will share its findings with this session's attendees.
