

# Oncology Site Landscape: Benchmark Your Site

---

Oncology Site Solutions Summit

# SPEAKERS

Jimmy Bechtel, MBA  
Vice President, Site  
Engagement, SCRS

Eleanor Gibbons  
Clinical Research Manager,  
Sanford Health

Elizabeth Johnson,  
PhD, MS-CRM, RN  
Assistant Professor,  
Co-Director BioReD Hub,  
Montana State University

David Vulcano,  
MBA, MSW  
Honorary President,  
SCRS,  
Vice-President,  
HCA Healthcare

---

# FACULTY DISCLOSURE

In compliance with ACCME Guidelines, I hereby declare:

I do not have financial or other relationships with the manufacturer(s) of any commercial services(s) discussed in this educational activity.

Jimmy Bechtel, MBA, Vice President, Site Engagement, SCRS

Eleanor Gibbons, Clinical Research Manager, Sanford Health

Elizabeth Johnson, PhD, MS-CRM, RN, Assistant Professor, Co-Director BioReD Hub, Montana State University

David Vulcano, MBA, MSW, Honorary President, SCRS, Vice-President, HCA Healthcare

# Criteria for AWARDING CONTACT HOURS

Applicants must be present during the “live” event, contact hours are not issued for recordings

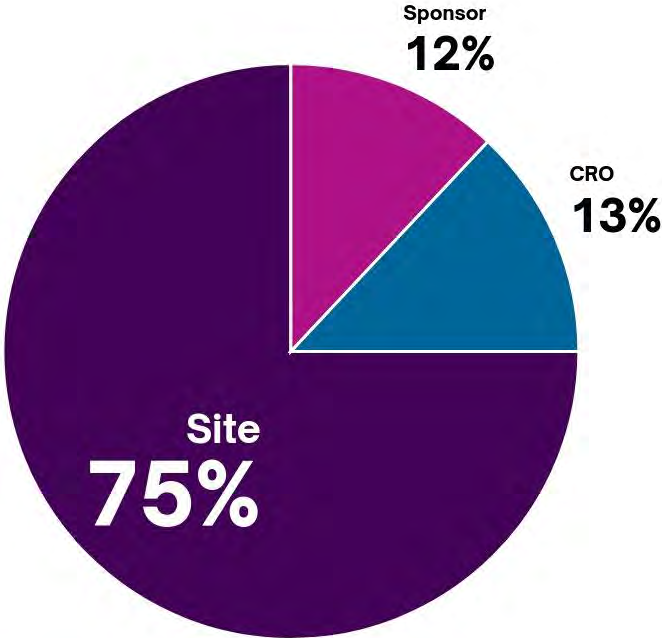

Applicants must attend the activity the whole time, missing no more than ten minutes of the activity

Applicants must complete the post-meeting survey with a score of at least 70%

Applicants must complete the post meeting survey evaluation questions

Society for Clinical Research Sites, Inc. is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation

# Survey Participants

Section 1

# Workforce

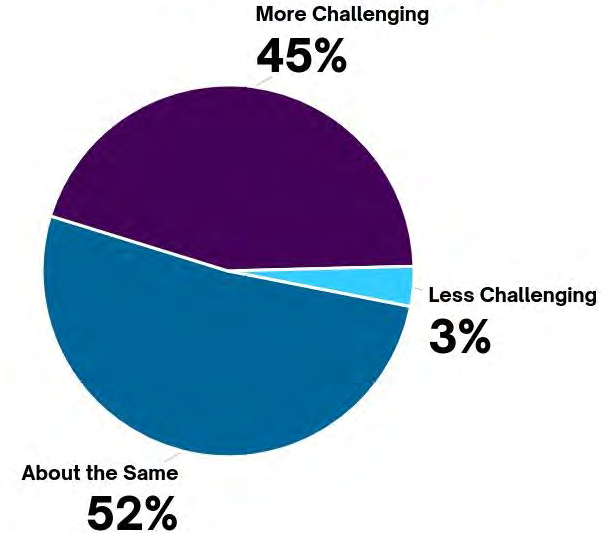

## Have Sites Had Challenges in Maintaining Their Workforce?

Answered by Sites

### Compared to 2023

**Top Reason For Leaving:**  
Financial Compensation

# Where Are Site Employees Going?

Select all that apply

**Another  
site/institution**

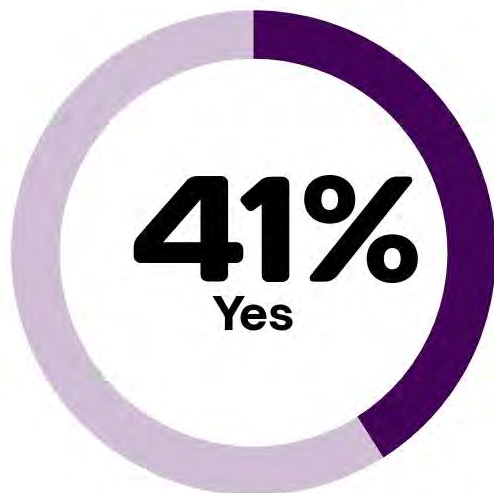

**Sponsor or CRO**

**Role outside of  
research industry**

# Are Sites Seeing a Decrease in Physicians Agreeing to be PI/Subs for Trials?

## Why?

- 1) Takes too much time away from current practice/patients
- 2) Lack of financial compensation for trials as compared with standard reimbursement/SOC

# How Sponsors & CROs Support Sites With Workforce Challenges

Answered by Sites

**Adequate trial  
budgets for hiring and  
retaining staff**

**Keep trial  
opportunities  
active and flowing**

**Support for training  
new research  
personnel**

**Decrease protocol  
amendments/changes**

Section 2

# Technology

# Oncology Trial Elements: A Site Participation Snapshot

Select All That Apply

ePro

eDiaries

eRegulatory

eConsent

eSource

# Biggest Site Challenges With Oncology DCTs

Select All That Apply

Financial/compensation

57%

Oversight of remote vendors

47%

Having the staff necessary to implement home visits

40%

# Do Sites Conduct Some Visits Remotely?

70%

Yes

30%

No

# Site Support Needs to Meet New Complex Trial Requirements

**1) More effective and flexible cost and budget analysis**

**2) Patient recruitment support**

**3) Stronger technology support**

## Section 3

# Inclusive Recruitment

# What is Your Current Strategy for Community Outreach?

Answered by Sites

**Social Media**

**Engagement with  
community centers  
of gathering**

(Institutions of faith,  
health fairs, community  
centers, etc)

**Local non-  
associated or  
related healthcare  
facilities**

**Educational  
workshops or  
seminars**

# Do You Have Adequate Resources to Conduct Community Outreach?

# Top Three Barriers to Site Community Outreach

**Lack of  
awareness and  
understanding of  
clinical trials**

**Outreach and  
engagement  
resourcing  
limitations**

**Not knowing  
where and how to  
engage**

# Are Your Community Outreach Efforts Subsidized/Funded by the Sponsor?

# What Percentage of Site Community Outreach is Subsidized by Sponsors?

17%

**On Average**

# How Would Sites Prefer to Be Subsidized for Community Outreach Funding?

Select All That Apply

**Specific community  
engagement line-  
items**

**Included in Start-up  
Fees**

**Applied grant  
funding**

# Is Patient Reimbursement Offered Fair and Equal?

Answered by Sites

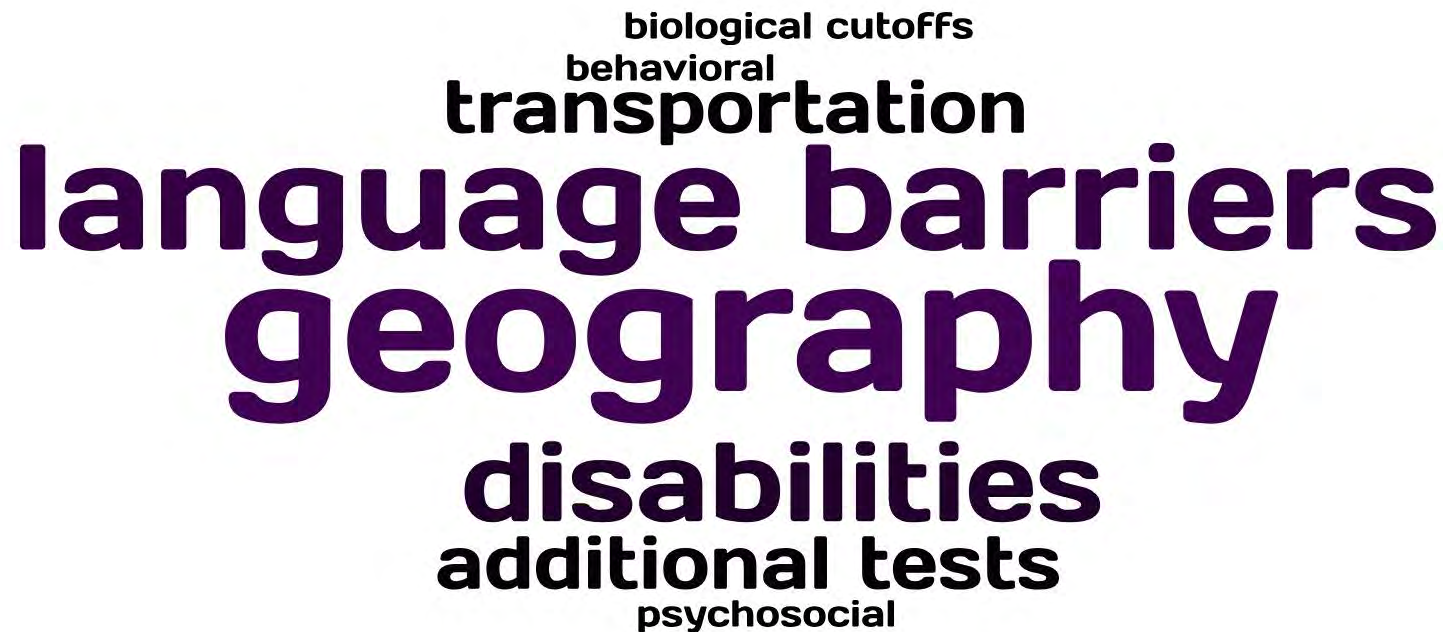

## How Could Reimbursement Improve?

- 1) Make the amount more fair/commensurate
- 2) Diversify forms of payment

# Most Common Protocol Design Criterion Precluding Patients

A word cloud where the size of each word represents its frequency as a criterion for precluding patients. The words are arranged in a roughly circular pattern. The largest word is 'geography', followed by 'language barriers'. Other prominent words include 'disabilities', 'transportation', 'biological cutoffs', 'behavioral', 'additional tests', and 'psychosocial'.

biological cutoffs  
behavioral  
transportation  
language barriers  
geography  
disabilities  
additional tests  
psychosocial

# What Do Sites Want with DEI Resources or Education?

**External / Community  
Engagement Best Practices**

**Ongoing Education on the Current State  
of DEI in Research, including Regulatory  
Guidance**

**Advanced Learnings on Patient  
Engagement and Recruitment**

**Funding to Implement Grass-roots  
Programs and Procedures**

**Time and Funding to Assess the State of DEI Metrics  
at my Site's Research Portfolio**

Section 4

# Industry Partnerships

# What Areas Do Sponsors/CROs Request Site Feedback?

**Protocol  
Development**

**Patient Perspectives**

**Site Budgetary  
Needs**

*Sponsors and CROs do not request feedback on vendor selection*

# Sponsors/CROs Requesting Site Feedback Before or During Trial Protocol Development

Answered by Sponsors and CROs

**Do Request Feedback**

**Do Not or Unsure**

# How Do Sponsors & CROs Request Site Input or Feedback?

#1

**CRA's / Monitors**

#2

**Dedicated Site-Facing Staff**

#3

**Surveys**

# How Do Sponsors/CROs Find & Develop Relationships With Sites?

Select all that apply

**Direct Outreach  
from Sites**

**Attending  
Industry  
Conferences**

**Consult with  
CRAs and/or  
Medical Liasons**

# How Sites Can Stand Out or Increase Their Likelihood of Working with Sponsors/CROs

Select all that apply

**1** Develop strong, positive relationships with our organization's liaisons (CRAs, medical liaisons, etc.)

**2** Meeting required timelines for pre and post start-up related activities (contracts, budgets, SIVs, etc)

**3** Exceeding patient's patient enrollment per the agreed upon protocol or contractual requirements and timelines

# Recap

**1**

**Financial Drivers seem to be root cause for most workforce and technology challenges.**

**2**

**Large opportunity to support and enable community engagement, as perceived as a high impact opportunity**

**3**

**There seem to be effective channels for feedback - is it being implemented?**
