

Twelve chairs.
ONE TABLE.

“What if we actually listened to the people doing the work?

Christine Pierre

Site Solutions Summit™ 20TH ANNIVERSARY

ONE ROOM.
Four Perspectives.

From twelve chairs to a movement.

12,000+

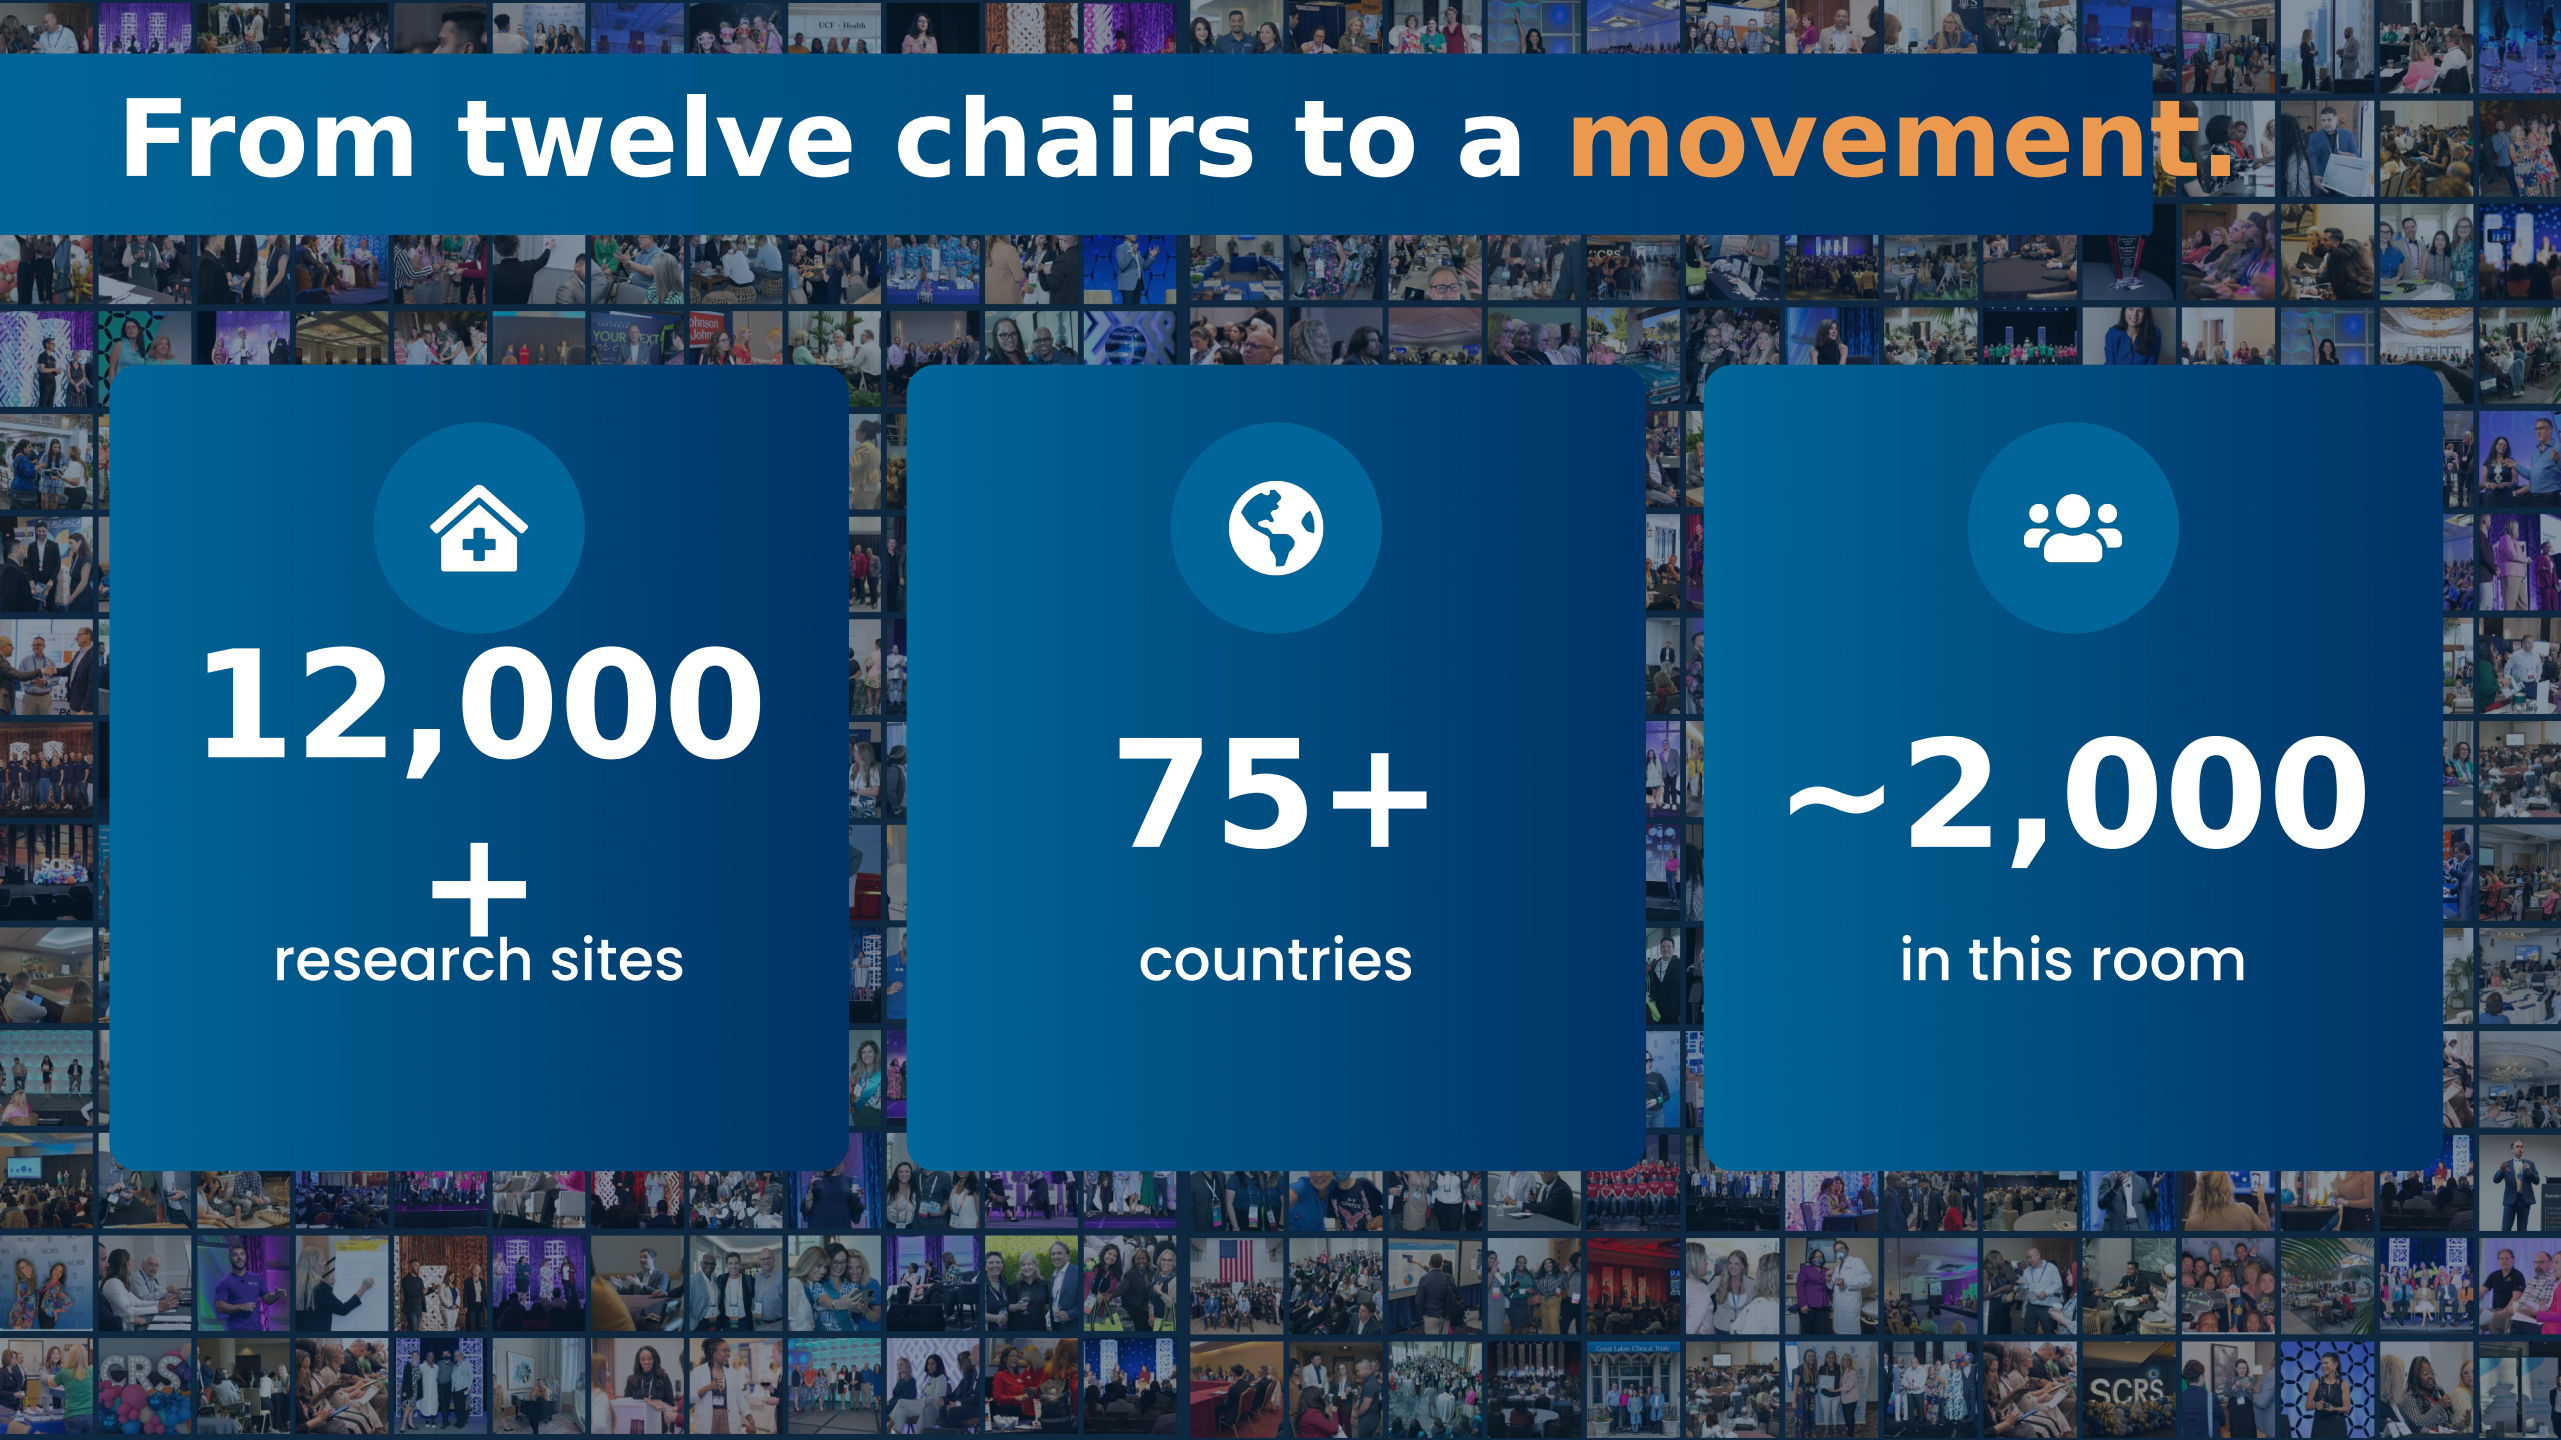

research sites

75+

countries

~2,000

in this room

Sites are at the center.

The experiences keep evolving.

Site Finance

Harder than ever to pencil out.

83%

Of sites report cost rising more than 6%

Complexity

More amendments.
More data.
More everything.

27%

Of sites name protocol amendments as a top cause for study delay

Turnover

Losing people costs more than money.

71%

Site salary as the number 1 rising cost

AI

Operational. Not a pilot.

75%

Of sites are either considering, or actively adopting AI solutions

Don't just attend. *Apply.*
